Purpose:

Whereas chosen athletes are representing the province of New Brunswick and Cross Country New Brunswick and are being funded and supported by Cross Country New Brunswick, it is expected that all individuals exhibit appropriate standards of behavior, attitude, and responsibility.

The following points will apply to all athlete involved with the Provincial Team Program.

Use of Alcohol and Drugs:

- Any athlete involved in the use of alcohol or drugs will be immediately dismissed from the Provincial Team.
- Obtaining drugs or alcoholic beverages or supplying them to anyone will result in immediate dismissal from the Provincial Team.
- Involvement with any banned doping substances is not allowed. Medications prescribed by a doctor to an athlete MUST be registered with the athlete's coach prior to entering a competition. More information regarding banned substances can be found at <https://cces.ca/prohibited-list>
 - Please note: The Government of Canada legalized cannabis on October 17, 2018. Athletes subject to the Canadian Anti-Doping Program (CADP) must be aware that this does not affect the status of cannabis in sport. Cannabis continues to be prohibited substance and a positive test can still result in a sanction. Additional information is available at <https://cces.ca/cannabis>
 - Medicinal use of cannabis will require a medical note.

Language:

Athletes are always to remain aware of the use of proper language. The use of offensive language will not be tolerated. A warning will be the first step, should the problem continue, it will be referred to the High Performance Committee.

Curfews:

Curfews will be set and strictly enforced; room check will be routine.
